Terms & Conditions

We are a small family run business and as such we just have a few rules for holding a function at The Bridge House Hotel to make it a much more relaxing and enjoyable experience for everyone.

Many of our guests staying in the hotel may not be participating in your function; as such we ask that you keep noise to a minimum especially on the terrace where rooms are located above as well as being quiet and respectful in the corridors. Children are welcome at functions but are not to be allowed to run in the main areas of the hotel: the overseeing of said children is the responsibility of the parent/guardian.

Smoking areas are situated at the front entrance or function room terrace: please remember to be quiet to avoid disturbing other guests. It is against the law to smoke inside a public building and anyone smoking inside will be fined up to £250.

All deliveries must be agreed prior to their arrival. Please ensure these are labelled clearly. We will only hold items left for up to 48 hours and this will be at the owner's risk. The hotel cannot be held responsible for any missing items after the departure of your event. For any collections organised, please make sure that you make the hotel aware of any instruction in relation to this.

Dress code is smart-casual as a minimum, anyone dressed inappropriately will be asked to go to their room to change or to vacate the premises: the only exception to this rule is fancy dress parties to a certain extent.

Latest music finishing time is 11:30pm: please make your DJ aware or turn off your music at this time. The room hire is until 12 Midnight when our bars also close, and when we need access to the room to clean and reset for the next day. If you can make your guests aware so they can arrange transport before this it would be appreciated.

We want you to enjoy your function, but we maintain the right to refuse service at our bars to individuals who cause a nuisance or who may appear at risk: once we have made the decision it is not reversible and must be respected. This is part of the Licensing Act 2003. We may also ask for proof of age before serving. Anyone within the party that conducts unacceptable behaviour will be asked to leave, even if they are due to stay in the hotel; they will have to vacate the premises.

Anti-social or threatening behaviour towards staff members will not be tolerated.

Any items left in the function that you wish to be kept for collection the next day must be taken away by 10:00am the next day; any other items left within the function room will be disposed of. Our Night Porter will leave any items in a corner of the function room for collection the next day, if not in our office. If helium canisters or any other large items are left behind, you may be charged for disposal.

All deposits or pre-payments made to the hotel are non-refundable and cannot be retrieved under any circumstances; functions must be paid in full three months prior unless arranged otherwise. If we are unable to host your function due to temporary closure a change of date within 18 months of the original date can be requested at no cost.

If any food is taken away from the premises, we cannot guarantee the condition of the food as such we are no longer responsible if the food is kept at unsafe temperatures leading to illness.

By paying any amount of money towards your function you agree to the terms above. Any queries about the terms and conditions must be made within 14 days of initial payment.
